" Traveling, researching the history and culture of new places has always been a passion of mine so when the opportunity arose to become a Tour Director I did not hesitate, and I still enjoy it - sharing my knowledge, passion and experience with guests, doing my best to ensure that their trip exceeds their expectations and becomes a wonderful memory. On tour there are travelers from all around the world, so I also learn a lot from them, broadening my horizon with each tour. It is not easy to choose a favorite country or a favorite tour as there is something unique and delightful in every corner of the world, but perhaps the Balkans and Transylvania are closest to my heart, as they are regions I am closely linked to."
